PLEASE READ

The undersigned plot owner or authorized agent and the memorial contractor hereby agree to abide by the rules and regulations of the cemetery in the construction of the above described memorial and guarantee that the memorial will comply with the rules and regulations governing memorial work in the above designated section, and further agree that should the completed memorial not comply with said rules and regulations it will, at the request of the cemetery Superintendent, be removed by the Contractor from the plot.

The undersigned further agree to hold the Diocese of Oakland free and harmless from any liability for damage to the memorial that may result from either or both the construction of said foundation or the installation of said memorial, or for any damage to the memorial before, during or after the setting of said memorial.

Ceramic reproduced photographs will be permitted on the headstone only in certain sections of the cemetery and then only with special permission. When such permission is granted, it will be only upon condition that the appropriate person or persons concerned agree to release the Cemetery, its officers, agents and employees, from any responsibility for damage to or destruction of said photograph from any cause, including the negligence (active or passive) of the Cemetery, its officers, agents, and employees.

In the event of this authorization being signed by an agent of the plot owner, the agent agrees to inform the plot owner of the provisions of this agreement and the rules and regulations of the Cemetery governing memorial work and the plot owner is bound by the signature of the agent hereon.

There will also be no upright bronze vases allowed on monuments. The Cemetery is not responsible for damage to vases.
